

Maryhill Community Centre User Guide

The aim of this guide is to support children, young people and adults with autism to access the venue and the services it offers.

Welcome to Maryhill Community Centre

Directly upon entering you will find the information desk. This is also used as our quiet area.

There are also toilets that can be used when at the Community Centre and could be used by anyone visiting.

Staff will wear badges and uniforms like this and will be able to help you.

Sometimes there might not be a member of staff at the desk but if help is needed, someone will come to help as soon as they can.

Maryhill Community Centre can be busy on Wednesday between 11am – 2pm & Tuesday and Thursday evenings from 4pm.

The fire alarm will be tested on a Tuesday between 10am and 10.30am.

Computers are available for use at the Community Centre. The staff will help to set up a password.

We hope you enjoy your visit to Maryhill Community Centre and we look forward to seeing you again.
