

Possilpoint Community Centre User Guide

The aim of this guide is to support children, young people and adults with autism to access the venue and the services it offers.

Welcome to Possilpoint Community Centre

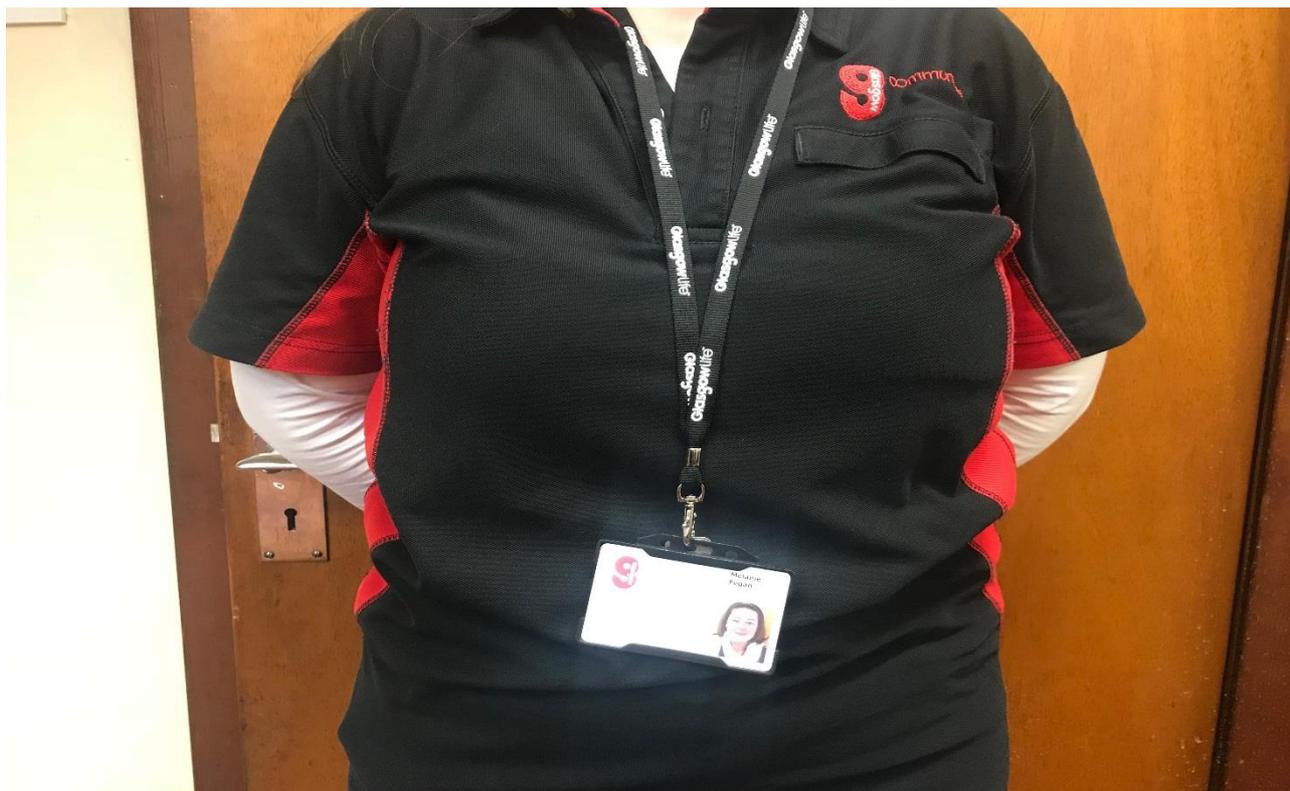

Directly upon entering you will find the information desk. This is also used as the quiet area.

There are also toilets that can be used when at the Community Centre and could be used by anyone visiting.

Staff will wear badges and uniforms like this and will be able to help you.

Sometimes there might not be a member of staff at the desk but if help is needed, someone will come to help as soon as they can.

Possilpoint Community Centre can be busy on Tuesday and Friday evenings.

The fire alarm will be tested on a Tuesday at 10:30am.

We hope you enjoy your visit to Possilpoint Community Centre and we look forward to seeing you again.
