Complaints - Performance information on complaints handling.

The complaints process is governed by the Scottish Public Service Ombudsman. Click here http://www.spso.org.uk/

Glasgow Life has a two stage complaints process. Stage One is called Frontline Resolution. At this stage we aim to resolve your complaint within 5 working days or sooner if possible. If it is not possible or your complaint is complex it will be escalated to Stage Two for investigation.

Stage Two is called the Investigation Stage. When using the Investigation Stage we will acknowledge receipt of your complaint within three working days and provide a full response as soon as possible but no longer than 20 working days. On occasion it may be necessary to extend the timescales after consultation and agreement with you.

The table below outlines our performance against Glasgow Life's two stage complaints process.

| Overall % within Policy 17/18 | 86% | - | 82% | - | 86% |

^{*16} complaints were raised in 2017/18 but closed in 2018/19.

After we have fully investigated a Stage Two complaint a third external stage is available if customers are still dissatisfied. A Stage Three investigation is carried out by the Scottish Public Services Ombudsman (SPSO).

In 2018/19 five complaints regarding Glasgow Life were referred to the Scottish Public Services Ombudsman (SPS0) of which one complaint advice was given, one was out of the SPSO's jurisdiction, one was premature and two had an early resolution.

This evidence is used to continually improve the quality of service we deliver. Our average service scores are listed below.
