OUR BRANDS

We invite you to make time for yourself with our wide range of holistic and beauty therapies. We are extremely proud to partnership with two fantastic skincare bands Murad and Temple Spa. The Refresh Spa team will be delighted to offer you advice and guidance on the best treatments to meet your individual needs.

Murad

Murad Method™ facials are a new and entirely personalised concept in high-performance professional skincare. Developed with Dr. Murad's philosophy that no two skins are the same, unlike traditional facials that are developed to address a single skin concern, Murad Method™ facials are designed to make skin as healthy as it can be.

TEMPLESPA

Science-led Skincare. Bathed in Mediterranean sunshine.

Marrying clinically proven formulas with naturally rich botanicals, TEMPLESPA is beauty redefined. Merging the finest derma-science with the warmth and vitality of the Mediterranean, our 100% British brand has a truly global appeal.

TEMPLESPA

TEMPLESPA & AMETHYST TRUST

We have worked with the renowned Amethyst Trust to create an adapted menu of our wonderful TEMPLESPA treatments that are suitable for clients who are medically frail, recovering from illness or are immunocompromised such as those with or recovering from cancer. These bespoke and customisable treatments allow the therapist to adapt to suit the client's needs.

SPA EXPERIENCE

Additional Towel Hire | £2

Complete Package | Includes a robe, towel, and bottled water – “the full spa experience”

Essential Package | Includes a fresh towel for your comfort

Offering a truly refreshing experience, our selection of thermal and hydro experiences provide ‘hands-off’ therapies to cleanse, rejuvenate and refresh the mind and body. Step inside, relax, let the heat and water soothe you and leave the daily stresses far behind.

Thermal Experiences

Caldarium

Stone floors, walls and curved stone seating is heated to create a calming and purifying effect, allowing the body to heat up gently in a warm, dry environment.

Large Sauna

Heated to a temperature between 80-90°C with minimal humidity, this room creates a dry and intense heat to give a purifying effect on the body. This will cleanse and detoxify the skin, relieve tired aching muscles and joints and increase circulation.

Small Sauna

This Finnish Sauna is heated to a medium temperature of of between 70-80 degrees which creates a dry and intense heat. Effective as a warm down after a workout, aiding in the recovery of muscles and the removal of toxins.

Steam Room

Feel the tension slip away as a dense visible humidity stimulates extra blood circulation in your body.

Hydro Experiences

Vitality Pool

The water temperature is set to a soothing 35-37°C and the pool offers a selection of unique features including air tubs, swan neck fountains, air loungers and water jets. The vitality pool provides many benefits including cleansing and detoxification of the skin, relieving tired and aching muscles, increasing circulation and relaxing the mind and body.
