

Draw a robin

Bird that never flew trail

Here is the bird that never flew
Here is the tree that never grew
Here is the bell that never rang
Here is the fish that never swam

Bird that never flew trail

There are 6 little birds hiding around the People's Palace
– solve the clues to find them.

Can you find where they are?

This little bird is not in a bird house but it is almost as small as one especially with ten people in it!

Where am I? _____

This robin has gone to 'Spend a penny'!

Where am I? _____

These birds didn't have the vote!

Where am I? _____

Twittering birds like a gossip while doing their weekly washing!

Where am I? _____

This robin likes to dance the night away!

Where am I? _____

This robin is not rocking here!

Where am I? _____
